

THE MASTER COLLECTION

2026

OFFICIAL COMPANY & PRODUCT BOOK
SAFARI · VENTURE

BEYOND DESTINATIONS.

Some journeys are measured in kilometres. The best are measured in moments — an open shoreline, a quiet morning, a place you never planned to stay.

WHO WE ARE

THE WORLD OF REMALIK.

REMALIK creates caravans for travel and mobile living — bringing contemporary design, everyday comfort and the freedom to explore together in one complete concept.

Every REMALIK caravan balances the comfort of home with the freedom to move: carefully chosen materials, capable equipment and thoughtful detailing, inside and out. The range is organised into two collections under one brand — **SAFARI**, the luxury collection, and **VENTURE**, the economy edition.

MODEL YEAR

MISSION & VISION

DESIGNED FOR FREEDOM.

01

OUR MISSION

Our mission is to create mobile solutions that combine intelligent design, quality, comfort and luxury, making travel and exploration easier and offering greater freedom. We thoughtfully craft every experience to give our customers the confidence to set out, break away from routine, enjoy every place and moment with family and friends, and turn every journey into a memory worth living.

02

OUR VISION

We believe everyone should have the freedom to explore the world around them, and that the most meaningful memories are created when we step beyond the ordinary, reconnect with nature and spend time with the people we love. Our vision is to redefine mobile living, giving people the freedom to travel, stay and explore with comfort and confidence, wherever their journey takes them.

“Turn every journey into a memory worth living.”

OUR VALUES

WHAT MOVES US.

01 FREEDOM

We believe in the freedom to choose your destination, your path, and how you experience your journey.

02 CRAFTSMANSHIP

We care about every detail, crafting our solutions to combine durability, precision and thoughtful design.

03 COMFORT

We believe exploration and adventure should never mean compromising on comfort and luxury.

04 EXPLORATION

We inspire people to go beyond the ordinary and discover new places, experiences and ways of living.

05 CONNECTION

We believe the true value of a journey is not only in where you go, but in the moments you share with the people you love.

THE REMALIK PHILOSOPHY

YOUR LAND. YOUR JOURNEY.

Your land is wherever you choose to stop — a shoreline at dusk, a forest clearing, a quiet road with no one else on it. Your journey is everything in between.

REMALIK exists to give families and travellers that independence: to follow nature rather than timetables, to reconnect with the people who matter, and to carry the comfort of home wherever the road leads.

ENGINEERING & COMFORT

DETAILS THAT DEFINE THE JOURNEY.

Two collections, two engineering approaches. Exact equipment differs by model and is listed on each model's pages.

SAFARI · LUXURY

VENTURE · ECONOMY

CONSTRUCTION	Fibre-insulated aluminium shell, rated to -15 °C (-30 °C optional). AL-KO legs and jockey wheel.	Galvanised steel chassis, 1,350 kg braked axle, EURAMAX insulated shell.

WATER	70 L fresh water tank, hot and cold water.	50–100 L fresh water tank by model.
ELECTRICAL	Control panel, gel deep-cycle battery, LED lighting.	100 Ah gel battery, 205 W solar panel, MPPT.
KITCHEN	12 V compressor fridge; Thetford oven and 3-burner hob (500, 600, 620).	85–100 L compressor fridge, 2-burner hob.
BATHROOM	Thetford cassette toilet, shower with aluminium door.	Shower set, fibre tray, portable WC.

TWO COLLECTIONS

TWO WORLDS. ONE SPIRIT.

SAFARI
Luxury

LUXURY COLLECTION · FIVE MODELS

Spacious layouts, premium European components and refined interiors for travellers who expect the comfort of home on every journey.

VENTURE
Edition

ECONOMY COLLECTION · FOUR MODELS

Compact, practical and well equipped — smart use of space, solar power as standard and an easy start to life on the road.

CHAPTER II

SAFARI Luxury

THE LUXURY COLLECTION

Five layouts from 4.5 to 6.2 metres of body length. Fibre-insulated aluminium shells, Truma heating, Thetford kitchens and bathrooms, and interiors designed around living space and light.

SAFARI 450	450 body · sleeps 4
SAFARI 500	500 body · sleeps 4
SAFARI 530	530 body · sleeps 6
SAFARI 600	600 body · sleeps 4
SAFARI 620	620 body · sleeps 4

MODEL 01 · THE EXPERIENCE

SAFARI 450

Compact. Confident. Ready for the coast.

The most compact SAFARI pairs a generous double bed with a convertible dinette and a full washroom — a complete home for four in a footprint that tows and parks with ease.

- Sleeps 4
- Body length 450 cm (net)
- Truma gas air heating
- Thetford cassette toilet
- Fibre-insulated aluminium shell

SAFARI 450

KEY SPECIFICATIONS

Sleeping places	4
Total length	625 cm
Body length (net / gross)	450 / 485 cm
Width (net / gross)	220 / 230 cm
Weight	1,190 kg
Chassis	1,500 kg, anti-sway stabiliser
Leisure battery	70 Ah gel, deep cycle
Refrigerator	100 L, 12 V

Layout — Double bed and convertible dinette; kitchen and washroom on the opposite side.

CONSTRUCTION

- Braked coupling chassis
- AL-KO support legs, 150 kg jockey wheel
- 185/R14/C alloy wheels
- Fibre-insulated aluminium shell, rated to -15 °C

ELECTRICAL

- Caravan control panel
- 13-pin socket and 220 V inlet
- Gel deep-cycle battery and charger
- Marine-grade cabling, LED and spot lighting

WATER & HEATING

- 70 L fresh water tank, hot and cold water
- Submersible pump, grey water system
- Truma S 3004 gas heater
- Truma Therme 5 L electric water heater

KITCHEN & BATHROOM

- 12 V compressor refrigerator
- Two-burner hob, Thetford glass-lid sink
- Thetford cassette toilet
- Shower set, fibre tray, aluminium shower door

OPTIONAL EQUIPMENT · available across the SAFARI collection — fitment per model confirmed with your order

ALDE hydronic heating

Insulation rated to -30 °C

Aventa Comfort air conditioner

Remote-controlled mover

Cassette roof awning

Lithium smart battery

1000 W pure-sine inverter

External shower

Bike rack

Specifications per the manufacturer's 2026 model sheet and series data. Data may vary with packages and options.

MODEL 02 · THE EXPERIENCE

SAFARI 500

Open space, front to back.

SAFARI 500 brings the spacious living concept of the larger SAFARI models to a 5-metre body: a front lounge with a convertible table, a fully equipped galley and a double bed at the rear, beside the washroom.

HIGHLIGHTS

- Sleeps 4
- Wraparound front lounge
- Truma Combi 4 air & water heating
- Thetford oven and three-burner hob
- Rear double bed

SAFARI 500

KEY SPECIFICATIONS

Sleeping places	4
Total length	695 cm
Body length (net / gross)	500 / 535 cm
Width (net / gross)	220 / 230 cm
Weight	1,290 kg
Chassis	1,500 kg, anti-sway stabiliser
Leisure battery	100 Ah gel, deep cycle
Refrigerator	150 L, 12 V

Layout — Front lounge with convertible table, central galley, rear double bed and washroom.

CONSTRUCTION

- Braked coupling chassis
- AL-KO premium support legs and jockey wheel
- 185/R14/C wheels
- Fibre-insulated aluminium shell, rated to -15 °C

ELECTRICAL

- Caravan control panel
- 13-pin socket and 220 V inlet
- 100 Ah gel deep-cycle battery and charger
- Marine-grade cabling, LED lighting, reading light

WATER & HEATING

- 70 L fresh water tank, hot and cold water
- Submersible pump, grey water system
- Truma Combi 4 gas air & water heating
- Gas alarm device

KITCHEN & BATHROOM

- Thetford Triplex oven with three-burner hob
- Thetford glass-lid sink, 12 V fridge
- Thetford cassette toilet
- Shower set, fibre tray, aluminium shower door

OPTIONAL EQUIPMENT · available across the SAFARI collection — fitment per model confirmed with your order

ALDE hydronic heating

Insulation rated to -30 °C

Aventa Comfort air conditioner

Remote-controlled mover

Cassette roof awning

Lithium smart battery

1000 W pure-sine inverter

External shower

Bike rack

Specifications per the manufacturer's 2026 model sheet and series data. Data may vary with packages and options.

MODEL 03 · THE EXPERIENCE

SAFARI 530

Made for the whole family.

With six sleeping places, a dedicated bunk area for children and a separate double bed, SAFARI 530 is the family layout of the collection — practical in every corner, relaxed in every room.

- Sleeps 6
- Children's bunk area
- Separate double bed
- Truma gas air heating
- Thetford cassette toilet

SAFARI 530

KEY SPECIFICATIONS

Sleeping places	6
Total length	715 cm
Body length (net / gross)	530 / 565 cm
Width (net / gross)	220 / 230 cm
Weight	1,390 kg
Chassis	1,500 kg, anti-sway stabiliser
Leisure battery	70 Ah gel, deep cycle
Refrigerator	150 L, 12 V

Layout — Bunk area, convertible dinette and double bed, with kitchen and washroom between.

Remote-controlled mover

Cassette roof awning

Lithium smart battery

1000 W pure-sine inverter

External shower

Bike rack

Specifications per the manufacturer's 2026 model sheet and series data. Data may vary with packages and options.

600 QUW

MODEL 04 · THE EXPERIENCE

SAFARI 600

Room to live, not just to travel.

Six metres of body length give SAFARI 600 a true sense of space: a front lounge, a long galley and an island-style double bed at the rear. Built for longer stays and slower journeys.

- Sleeps 4
- Body length 600 cm (net)
- Truma Combi 4 air & water heating
- Thetford oven and three-burner hob
- Island-style double bed

SAFARI 600

KEY SPECIFICATIONS

Sleeping places	4
Total length	775 cm
Body length (net / gross)	600 / 635 cm
Width (net / gross)	220 / 230 cm
Weight	1,530 kg

Layout — Front lounge, long central galley, rear bedroom with double bed and washroom.

CONSTRUCTION

- Braked coupling chassis
- AL-KO premium support legs and jockey wheel
- 185/R14/C wheels
- Fibre-insulated aluminium shell, rated to -15 °C

ELECTRICAL

- Caravan control panel
- 13-pin socket and 220 V inlet
- 100 Ah gel deep-cycle battery and charger
- Marine-grade cabling, LED lighting, reading light

WATER & HEATING

- 70 L fresh water tank, hot and cold water
- Submersible pump, grey water system
- Truma Combi 4 gas air & water heating
- Gas alarm device

KITCHEN & BATHROOM

- Thetford Triplex oven with three-burner hob
- Thetford glass-lid sink, 12 V fridge
- Thetford cassette toilet
- Shower set, fibre tray, aluminium shower door

OPTIONAL EQUIPMENT · available across the SAFARI collection — fitment per model confirmed with your order

ALDE hydronic heating

Insulation rated to -30 °C

Remote-controlled mover

Cassette roof awning

Lithium smart battery

1000 W pure-sine inverter

External shower

Bike rack

Specifications per the manufacturer's 2026 model sheet and series data. Data may vary with packages and options.

MODEL 05 · THE EXPERIENCE

SAFARI 620

The flagship of the collection.

SAFARI 620 is the longest model in the collection. A wraparound lounge opens onto a full galley, and a private bedroom at the rear completes a layout designed for comfort over distance.

HIGHLIGHTS

- Sleeps 4
- Longest SAFARI layout
- Truma Combi 4 air & water heating
- Thetford oven and three-burner hob
- Private rear bedroom

SAFARI 620

KEY SPECIFICATIONS

VENTURE

Edition

FREEDOM FOR EVERY JOURNEY.

Four practical layouts that make the most of every centimetre — with solar power, diesel heating and compressor refrigeration as standard.

VENTURE 370 E Light, simple, ready to go

VENTURE 370 F A real bed in a compact body

VENTURE 400 SK Built around the family

VENTURE 450 FL The most generous VENTURE

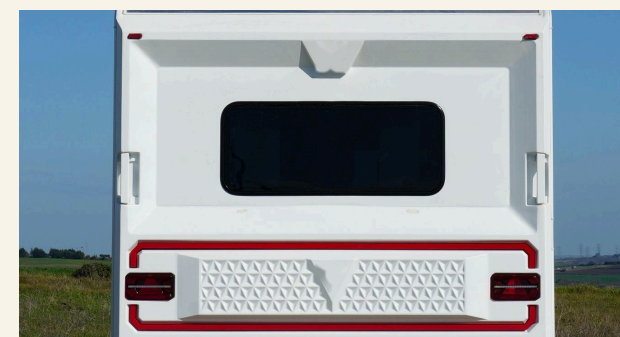

MODEL 06 · THE EXPERIENCE

VENTURE 370 E

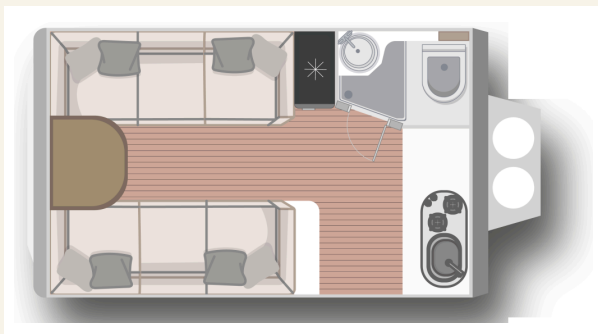

Light, simple, ready to go.

The most compact model in the collection. By day, two facing sofas form a bright lounge; by night they become two single beds of 82 × 200 cm. Kitchen and washroom sit at the front — easy to tow, easy to live with.

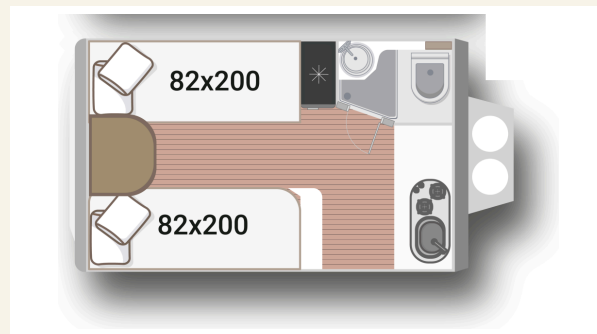

- Two single beds, 82 × 200 cm
- 100 L fresh water tank
- 85 L compressor fridge
- 205 W solar panel with MPPT
- 5 kW diesel air heater

VENTURE
Edition

370 F

MODEL 07 · THE EXPERIENCE

VENTURE 370 F

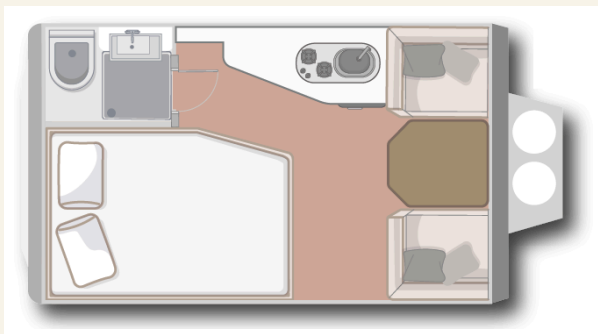

A real bed in a compact body.

VENTURE 370 F gives a compact caravan a fixed French bed on a sprung base, with a dining area that converts into an extra bed. A smart choice for couples and small families.

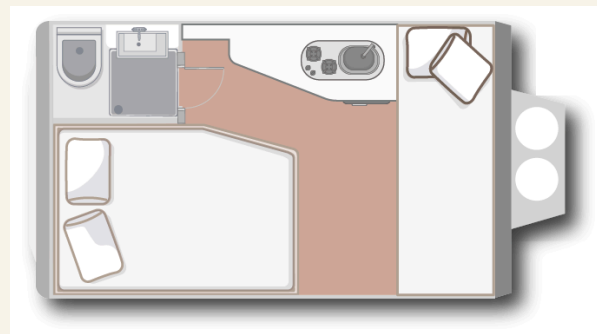

- Orthopaedic French bed
- Sprung bed base
- Dinette converts to a bed
- 85 L compressor fridge
- 205 W solar panel with MPPT

VENTURE 370 F

VENTURE
EDITION

MODEL 08 · THE EXPERIENCE

VENTURE 400 SK

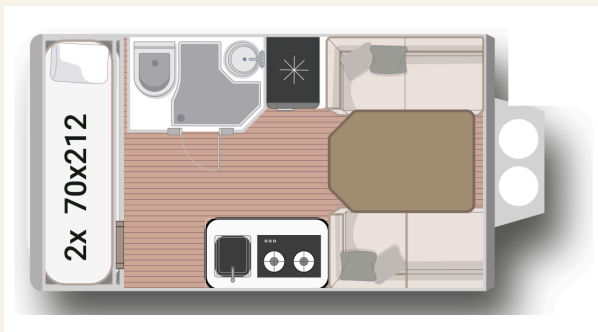

Built around the family.

VENTURE 400 SK combines fixed bunk beds with a dinette that becomes a generous double — space for children and parents without giving up a proper living area by day.

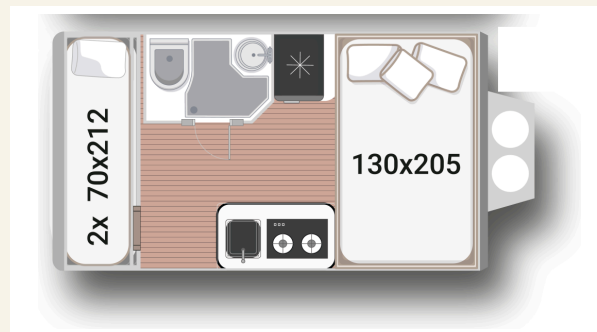

- Fixed two-tier bunks, 70 × 212 cm
- Dinette bed, 130 × 205 cm
- 100 L compressor fridge
- 100 L fresh water tank
- Three-tier bunk option

CHAPTER IV · QUALITY & CUSTOMISATION

CRAFTED WITH PURPOSE.

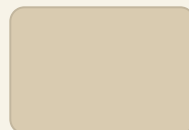

Quality begins with the choice of materials and equipment and continues to the final interior details. Our focus: build quality and finishes, equipment suited to real use, a balance of design and function, and continuous improvement from our customers' experience.

DOCUMENTED EUROPEAN COMPONENTS

AL-KO	Support legs and jockey wheels (SAFARI)
Truma	Heating and water heating
Alde	Hydronic heating (SAFARI option)
Thetford	Kitchen appliances and cassette toilets
Berhimi	Doors, windows and roof vents

Fitted or optional equipment as listed in the technical specifications; varies by model. No commercial partnership is implied.

UPHOLSTERY COLOURS

SAND CREAM

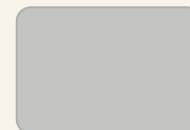

WARM GREY

RED CLAY

GREEN VALLEY

MOON GREY

DEEP BLUE

Indicative colours. Availability varies by model — please confirm when ordering.

BEYOND THE JOURNEY.

We aim to give our customers confidence and comfort on every journey — before, during and after the purchase.

01

PRODUCT GUIDANCE

Help choosing the collection, model and layout that suits how you travel.

02

CONFIGURATION

Clear advice on standard equipment and the options available for each model.

03

DIRECT CONTACT

Personal communication by phone, WhatsApp and email — in Türkiye and Saudi Arabia.

04

COMMERCIAL INQUIRIES

Dedicated handling of requests from corporate buyers, distributors and partners.

05

AFTER-SALES CONTACT

Our team remains your point of contact after delivery for questions and support requests.

06

ONGOING UPDATES

News on models, equipment and options through our website and social channels.

LET'S MOVE FORWARD TOGETHER.

REMALIK welcomes product inquiries from individual customers and discussions with corporate buyers, prospective distributors and business partners interested in the SAFARI and VENTURE collections.
